WHAT IS THE BIRTHDAY CLUB?

The Birthday Club is a club for those who want to make a difference in our community.

HOW WILL BEING A MEMBER HELP OTHERS?

By being a member of the Birthday Club, your party guests will make a donation to our local healthcare system in your honor rather than bring you gifts. Those donations will go to purchase state of the art equipment, start and maintain patient assistance programs, and provide an overall higher quality of life for our community!

WHO CAN BE A MEMBER?

Anyone can be a member! Simply fill out the form in this brochure and mail it in or contact the Foundation for Marshall Medical Centers at foundation@mmcenters.com or (256) 571-8026 to receive a free Birthday Club kit to make your party special! This kit will contain instructions along with donation cards to include with your party invitations if requested. You'll also get a special behind-the-scenes tour of the hospital with your Birthday Club membership, your name on a Giving Tree leaf at either Marshall North or South, a Facebook shout out on your birthday, and your name in an annual newspaper ad as a special thanks to all our Birthday Club members!

MARSHALL MEDICAL CENTERS' BIRTHDAY CLUB

Becoming a member of the Marshall Medical Centers' Birthday Club is easy! By hosting your birthday party to benefit the Foundation for Marshall Medical Centers, you can experience the fulfillment that comes with donating money to a good cause to make a difference in the lives of other people. By donating money you collect in honor of your birthday to your local community hospital, you can feel good about saving lives right here in your hometown. What better way to wish yourself a Happy Birthday than by making sure others are happy and healthy too?
