Paving the Way for Cancer Care in Marshall County

You Can Be A Part of Bringing Cancer Care Closer To Home.

The new Marshall Cancer Care Center is now open and the Closer To Home Paver Campaign is a great way for individuals, families, businesses and civic organizations to be an integral part of this landmark facility. By purchasing a paver you can:

- *Honor a loved one, caregiver, friend or business.*
- *Literally help pave the way for cancer care by creating a unique entrance walkway.*
- *Ensure a lasting imprint of your support for this important initiative.*

Your tax-deductible gift will directly strengthen the new Cancer Care Center and most importantly, the many patients it will serve. Please accept this invitation to help create a pathway to a stronger community.
